Dear all,

We are glad to join you at the beginning of the academic year, which has resumed at full speed. This September edition contains several funding or support opportunities for activities linked to research and education. With the launch of the procedure to leverage joint research activities, we hope to keep strengthening the bonds between our communities in the EU GREEN alliance. **Please note that an information session will be held on October 10th at 10 am CET.** Click on the article just below to know more.

This edition also provides some information of initiatives carried in other parts of the project, namely WP6 - Internationalization & WP8 Sustainable and healthy campus with initiatives that keep research at the core of their activities.

We remain available to support your projects.

Best regards,

WP3 Team
