*Dear all,*

October has moved along swiftly as many of you were working hard on the 2024 **Procedure to leverage joint research activities**, which has gathered a lot of interest. In a week, the call will close but before then, some researchers are still looking for one last partner to put a final point to their application. See below the section dedicated to the matchmaking.

Good luck to you all for this last week of efforts.

*Best regards,*

**WP3 Team**

## 2024 Procedure to leverage joint research activities

There are 3 pillars for this year's call:  
Incentive for collaborative research activities,  
Researcher mobility program, EU GREEN  
Scientific conferences. **Deadline: 02/11.**
