8:30–9:00 Lobby, Department of Economics – Registration. Vicolo Santa Maria 5, Parma

9:00–10:30 Welcome, Auditorium.

Welcome by the Rector of the University of Parma, Prof. Paolo Martelli

Welcome by the Pro-Rector for Research of the University of Parma, Prof. Daniele Del Rio

Current progress and future perspectives of research-based learning through excellence clusters within EU GREEN, by Claire Manceau, University of Angers, leader of WP3 and Alix Blouët, University of Angers, coordinator of WP3 (Structuring research-based learning through Excellence Clusters).

10:30–11:00 Coffee break

11:00–13:00 Auditorium

Open Roundtable: **Research for Sustainable, attractive and healthy EU GREEN Campuses**. Moderator: Agneta Morelli, Gävle University, leader of WP8 (*Building a truly sustainable campus*). Contributions by the Vice Rector of the University of Parma Prof. Fabrizio Storti, by Prof. Barbara Gherrri and Prof. Cristina Castracani (University of Parma, Italy), by Dr. Francesca Riolo (Parma Sostenibile) and by Fabio Orlandini (Students representative).

13:00–14:00 – Lunch break

14:00–16:00 – Parallel sessions

Clusters meetings - free agenda

Cluster 1 - Emerging paradigm for health and well-being - room K12,

Cluster 2 - Agriculture, food and environmental sustainability - room K14,

Cluster 3 - Engineering and technology for sustainable development - room K15,

Cluster 4 - Sustainable tourism for cultural and natural heritage room - K12,

Cluster 5 - Education sciences for sustainable development room - K10,

Co-funded by
the European Union

Cluster 6 - Challenges in ecosystem biodiversity and function - a macroregional evaluation room - K11

Joint Research Commission meeting (Aula Riunioni) - *WP2 Call on Joint Program evaluation*

PhD Council meeting (room G) - *Career development center: action plan for 2025 and 2026*

European Task Force Meeting (room H) - *MSCA Post Doctoral Fellowships: how can the EU GREEN network can help to create pairs and strengthen our participation in this call for proposals?*

16:00–16:30 – Coffee break

16:30-17h30 – MSCA Doctoral Network: a tool to reinforce EU GREEN doctoral collaboration by Raffaele Turri & Silvia Tavernini **(for PhD Council and clusters participants)**

17h30-18h30 - World Café: Towards long-lasting collaborations for all cluster members & PhD council: in small groups, connect multiple ideas and perspectives on the following topics:

- Horizon Europe - Pillar 2: Global Challenges and European Industrial Competitiveness
- Erasmus+ Key Action 2: Cooperation among organisations and institutions
- Blended intensive Programs
- MSCA Doctoral Network: implement doctoral programmes by partnerships of organisations from different sectors across Europe and beyond to train highly skilled doctoral candidates, stimulate their creativity, enhance their innovation capacities and boost their employability in the long-term.
- MSCA Staff Exchanges: funds short-term international and inter-sectoral exchanges of staff members involved in research and innovation activities of participating organisations. The aim is to develop sustainable collaborative projects between different organisations from the academic and non-academic sectors (in particular SMEs), based in Europe and beyond.

16:30–18:30 – Clusters in Motion: Strategy, Shifts, and the Road beyond 2026 (room H) **Joint Research Commission & cluster leaders meeting**

Roundtable from the cluster leaders and discussions on difficulties, strategical orientation and thematical evolution of the clusters. The key points will be used as a basis for the reviewed strategy and WP3 action plan until the end of 2026 - and beyond.

The program for dinner and after dinner is free; suggestions are provided at the end of the program

Co-funded by
the European Union

DAY 2 – Wednesday 11/06

8:30–10:30 Parallel sessions

Clusters meetings (assisted by EU Taskforce members)

- Cluster 1 - Emerging paradigm for health and well-being – room K12
- Cluster 2 - Agriculture, food and environmental sustainability – room K14
- Cluster 3 - Engineering and technology for sustainable development – room K15
- Cluster 4 - Sustainable tourism for cultural and natural heritage – room K12
- Cluster 5 - Education sciences for sustainable development – room M
- Cluster 6 - Challenges in ecosystem biodiversity and function – room K11

Joint Research Commission meeting (Aula Riunioni) - *Revising the research strategy 1/2*

PhD Council meeting (Auditorium) - *The EU GREEN Joint PhD program: finalizing the concept*

10:30–11:00 Coffee break

11:00–13:00 Auditorium

Open Roundtable: Research for sustainable, biodiverse, and smart cities. Moderator Prof. Frances Lucy, Atlantic Technological University, leader of WP5 (Engagement for sustainable societies and economies). Contributions by Prof. Rossano Bolpagni, Prof. Francesca Scazzina, Prof. Agostino Gambarotta (UniPr) and Dr. Lisa Baldi (Parma Sostenibile).

13:00–14:00 – Lunch break

14:00–16:00 – Parallel sessions

Clusters meeting - free agenda

- Cluster 1 - Emerging paradigm for health and well-being – room K12
- Cluster 2 - Agriculture, food and environmental sustainability – Room K14
- Cluster 3 - Engineering and technology for sustainable development – Room K15
- Cluster 4 - Sustainable tourism for cultural and natural heritage – Room K12
- Cluster 5 - Education sciences for sustainable development – Room K10
- Cluster 6 - Challenges in ecosystem biodiversity and function – Room K11

Joint Research Commission & PhD Council joint meeting: *The EU GREEN Joint PhD program* – Auditorium

European Task Force Meeting - *ERC laureates: planning the video cycle* – Room H

16:00–16:30 – Coffee break

Co-funded by
the European Union

First half of the **3-minute fame contest** finale: 14 PhD Students of the EU GREEN Summer School present their thesis in 3 minutes, no more! Come to support these young researchers from the 9 EU GREEN universities! To know more about the contest, [click here](#).

20:00: Social Dinner at Trattoria Corrieri (Conservatorio Street 1)

DAY 3 – Thursday 12/06

8:30–10:30 Parallel sessions

Clusters meeting - free agenda

Cluster 1 - Emerging paradigm for health and well-being – room K12

Cluster 2 - Agriculture, food and environmental sustainability – room K8

Cluster 3 - Engineering and technology for sustainable development – room K15

Cluster 4 - Sustainable tourism for cultural and natural heritage – room K12

Cluster 5 - Education sciences for sustainable development – room K10

Cluster 6 - Challenges in ecosystem biodiversity and function – room K11

Joint Research Commission meeting - Revising the research strategy 2/2 (Aula Riunioni)

PhD Council meeting - *Action plan: 2026 & beyond* (room H)

European Task Force Meeting - *Action plan: 2026 & beyond* (room G)

10:30–11:00 Coffee break

11:00–13:00 Auditorium

Open Roundtable: **Research and planning to support the ecological transition and entrepreneurship in EU GREEN macro-regions**. Moderator Prof. Daniel Milanese, Delegate of the Rector for Technological Transfer, University of Parma, WP4 (Entrepreneurship & Innovation for sustainability). Contributions by Prof. Alessandro Bratti, Dr. Ludovica Ramella, Marcella Ghiretti and Prof. Filippo Arfini.

13:00–14:00 – Lunch break

14:00–16:00 – Auditorium

Claire Manceau, Angers University, Leader of WP3 (*Structuring research-based learning through Excellence Clusters*). **Synthesis of the Research Week: Our collective vision for the future**

Co-funded by
the European Union

16:00–16:30 – Coffee break

16:30–18:30 – Auditorium

Second half of the **3-minute fame contest** finale: 13 PhD Students of the EU GREEN Summer School present their thesis. Award ceremony

The program for dinner and after dinner is free; suggestions are provided at the end of the program

DAY 4 – Friday 13/06

9:00-13:00: Bicycle (or public bus) transfer and visit of the Parma University Campus. Registration is mandatory. Detailed instructions will be provided regarding the departure with the bicycles, and the bus stops.

13:00-14:30: Packed Lunch at the Parma University Campus

14:30-15:30: Bicycle or bus return to the Parma city center, end of activities and greetings.
