O V G U M A G D E B U R G

“Zusammen die Welt neu denken.”
“Rethinking the world together.”

Since 1993

Students: 12.490

Staff: 2.075

Rector: Prof. Dr. Jens Strackeljan

The mission of our university is to advance the state of education and science through teaching and research. In honour of the patron of our university, we feel a sense of commitment to Otto-von-Guericke. His name stands for:

- the application of scientific methods,
- the pursuit of innovation and new knowledge, and
- the assumption of social responsibility for present and future generations.

MAGDEBURG

Consider visiting:

Magdeburg Cathedral

The Green Citadel

... or have a walk in:

Elbauenpark
